

Sri Lankan women in the UK!

Would you like to share your anonymised views and opinions about mental health during pregnancy and after childbirth?

Are you a Sri Lankan lady 16 years of age or over, living in the UK?

Are you pregnant, given birth, had a miscarriage or stillbirth within the last 24 months?

We would like to invite you to take part in a confidential online survey. This project is the first in the UK to seek the views and opinions of Sri Lankan women on their perinatal mental health and we would really like to hear from you....

- Simply access the link below to share your views in a quick anonymous online survey
- The survey takes about 15-20 minutes to answer all the questions
- This survey will not be asking any personal details that will identify you
- By clicking the submit button you will be giving us permission to use your answers
